

Jana Garay

Jana Garay is a Credentialed Evaluator, applied researcher and project manager with international experience in monitoring and evaluation. She is based in North America with a focused regional interest in Latin America.

Jana has performed evaluations in the Czech Republic, Canada and Mexico, working in different languages with clients in the public, non-profit and academic sectors. She specializes in evaluation of public policies, social inclusion, gender, migration, development cooperation, research and development, and rural development. She is interested in evaluation methodologies and evaluation capacity building.

Jana designed and implemented a student evaluation case competition in the Czech Republic.
