

What is an Evaluation Case Competition?

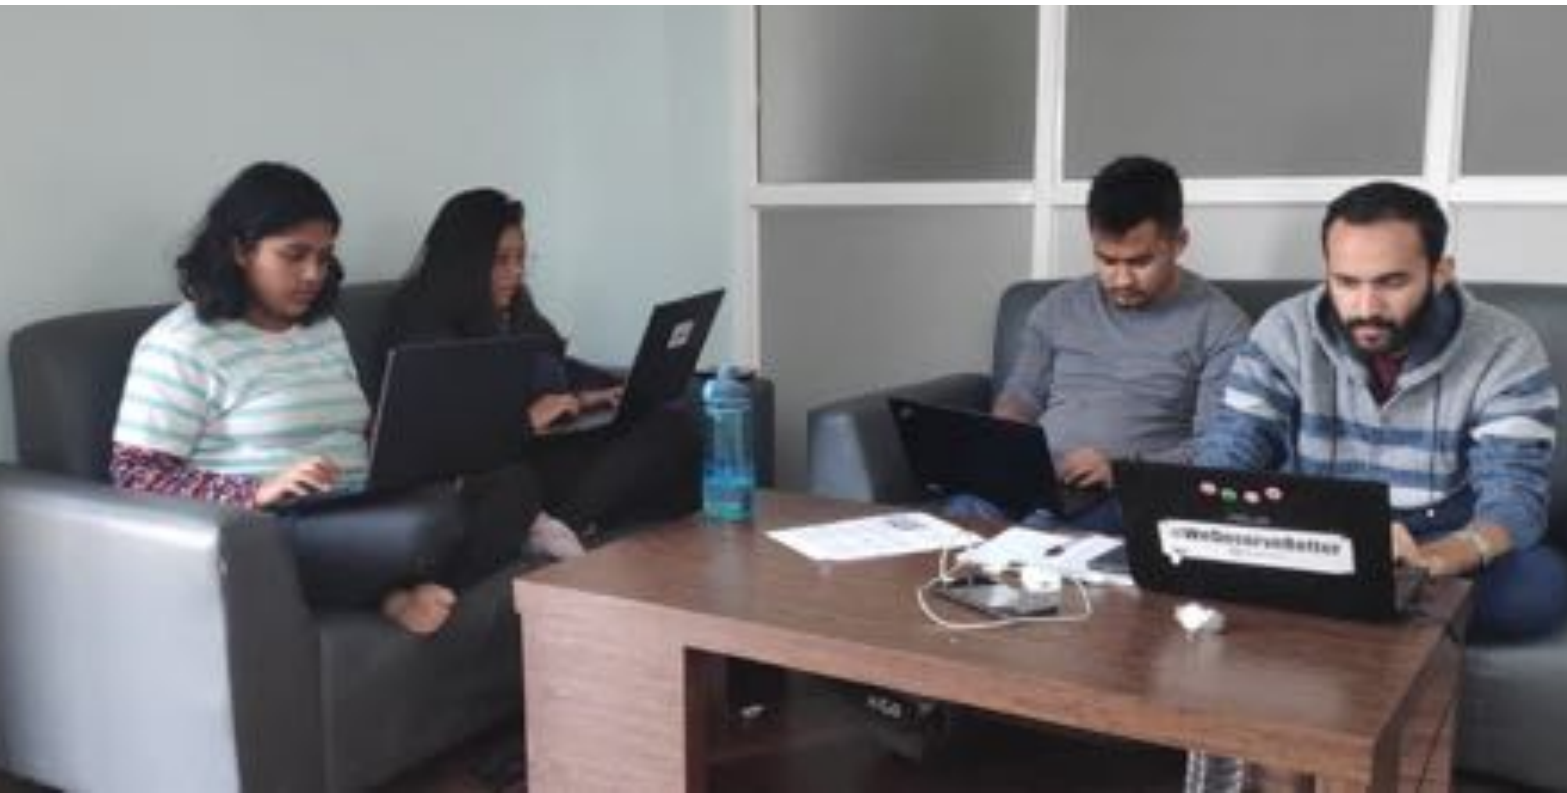

**Teams of students register
online for the competition.**

**On the day of the competition,
students download a
program evaluation case.**

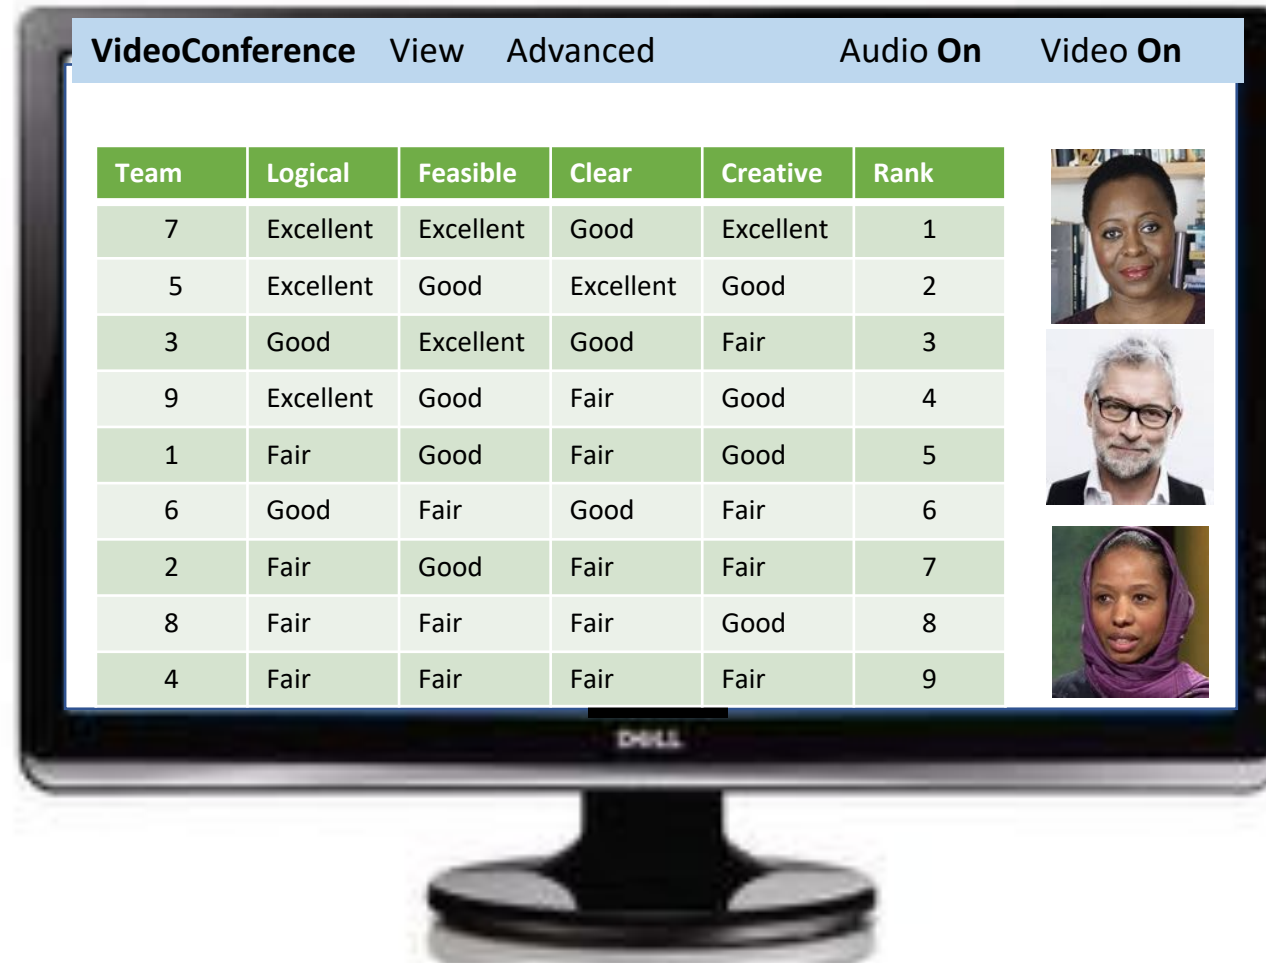

Teams prepare and submit their responses in a fixed timeframe.

The teams' submissions are sent to evaluation professionals for judging.

The judges meet online to rank the teams' submissions.

Organizers announce the competition results.

Dear Team,
You have won the
evaluation case
competition!

The winning team rejoices!

Main Benefits

- **Students have a direct experience of evaluation.**
- **Some will be inspired to become evaluators.**
- **Most will gain a better appreciation of evaluation.**

Other Benefits

- **Evaluation professors can integrate the case competitions into their courses.**
- **Students learn about teamwork, delegation and cooperation.**

Four national competitions in 2021

Canada

Czech Republic

India

Cameroon

A world competition since 2018

Call to Action!

- **Encourage students to enter evaluation case competitions!**
- **Organize a national or regional competition!**

Thank you!
